

## WELCOMING 2019 WITH VASILOPITTA

Our New Year's party was a great opportunity to spend some quality & fun time with our startups and alumni. It was a great way to mix business with pleasure! We are looking forward to 2019 with great optimism and determination for more and harder work! Thank you Mr. Heraclis Heracleous for joining us and sharing the suspense of the Vasilopitta!

## IDEA'S THIRD GRADUATION CEREMONY

With deep emotions and pride, we held the Graduation Ceremony of our 3rd Cycle! The glamorous event attracted the attention of the “crème de la crème” of the Cypriot innovation ecosystem. We congratulate our Graduates for their achievements so far and we warmly wish them the best for the future. IDEA will continue to support you; you will always be in our Alumni family and in our hearts... We are now ready to welcome the new aspiring entrepreneurs of 2019 and to grow this family even bigger and stronger!

## IDEA AT "STARTUPS & AGILE IN CYPRUS" CONFERENCE

The "Startups & Agile in Cyprus" conference was an excellent occasion to present IDEA and promote the new Call for Applications 2019. We also had the chance to introduce the Bank of Cyprus' APIs to the participants. Thank you for inviting us dear Konstantinos Kareklas!
