

IDEA AT FREDERICK UNIVERSITY

We were so excited to present IDEA and promote our new call for applications to the students of Frederick University. Many thanks to our alumni Antonis Papadakis from KYAMOS for the invitation and hospitality. Entrepreneurship is an alternative career path that requires hard work and devotion, but offers great rewards!

IDEA AT EUROPEAN UNIVERSITY CYPRUS

IDEA continued the promotion of the 4th cycle of applications at European University Cyprus. Our cooperation with Mrs. Simona Mihai Yiannaki, Mrs. Eleni Markantoni and their associates is a testament that research can be connected with entrepreneurship and innovation!

IDEA AT CYPRUS UNIVERSITY OF TECHNOLOGY

The promotion of the new call of applications continued at Cyprus University of Technology. Technology and innovation go hand in hand. IDEA is here to support young innovative minds create the future. Many-many thanks to our associate, Alexandros Charalambides for hosting us.

IDEA INVITED AT THE LUNCH HOSTED IN HONOUR OF THE PRESIDENT OF ISRAEL

IDEA's Manager, Mrs. Angela Panayiotou, was invited to the official lunch hosted by the President of the Republic of Cyprus in honour of the President of Israel. IDEA is proud to attend events that demonstrate the strong bond between the two countries and actively contributes to the cooperation between the two innovation ecosystems.

IDEA AT THE UNIVERSITY OF CYPRUS

We were excited to visit and present IDEA and its program at the University of Cyprus. It felt amazing to introduce the New Call for Applications in front of such a lively audience. We offer our warmest thanks to the Centre For Entrepreneurship (C4E), University of Cyprus, Ioanna Tsioutsioumi, Pantelitsa Eteokleous, Daina Nicolaou and Marios Dikaiakos.

IDEA AT THE UNIVERSITY OF NICOSIA

The promotion of the 4th cycle of applications at universities continued with full force, this time at the University of Nicosia. Raising awareness about IDEA and its spectrum of support is essential to inspire aspiring entrepreneurs and boost their self confidence.

RPF'S DISCUSSION ON THE UPCOMING INNOVATION PROGRAMME

We could not miss the chance to express our opinion and offer feedback to the Research and Promotion Foundation regarding the new Innovation Funding Schemes. We are optimistic about the future and we are hopeful that the proposed schemes will be tailor made to cover the needs of the startups. spectrum of support is essential to inspire aspiring entrepreneurs and boost their self-confidence.

IDEA AS A JUDGE AT "THE ULTIMATE PITCH 2019"

IDEA was honoured to be a member of the Panel of Judges at The Ultimate Pitch 2019 hosted at the Cyprus University of Technology. It is so encouraging to see so many young people presenting their ideas in such a lively and passionate manner! Well done Elias Hadjielias for inspiring the youth!

DIGITAL SECURITY FOR YOUNG ENTREPRENEURS CONFERENCE

DIGITAL SECURITY FOR YOUNG ENTREPRENEURS

IDEA was invited to present its activities and value proposition at the "Digital Security for Young Entrepreneurs" Conference that took place at the University Of Cyprus. This is a very interesting initiative that informs young entrepreneurs how to protect their business and their customers. Many thanks to Evangelia Vanezi for inviting us!

THE AMBASSADOR OF IRELAND AT IDEA!

It was an honour to host and welcome the Ambassador of Ireland to Cyprus, H.E. Deirdre Ní Fhallúin for a fruitful dialogue! We exchanged fresh views and explored new synergies in the area of innovation and entrepreneurship. Looking forward for more! Our warmest thanks to the Embassy of Ireland in Cyprus, Cyprus Ministry of Foreign Affairs, and IDEA's Chairman Dr. Charis Pouangare

DIGITAL SECURITY FOR YOUNG ENTREPRENEURS CONFERENCE

IDEA Innovation Center and Kinisis Ventures signed an official agreement, solidifying their cooperation and determination for the promotion of innovative start-up companies and entrepreneurship in Cyprus. This cooperation is aimed to elevate the product we already provide to Cypriot start-ups, aiming to further assist our companies to gain access in the US market. This is another strong factor leading to a stronger entrepreneurial ecosystem in Cyprus. The agreement was signed by Mrs. Angela Panayiotou, Manager of Idea & Innovation Projects and the cofounders of Kinisis Ventures, Messrs. Andreas Panayi and Yiannos Georgiades.
