

SUPPORTING THE "LITTLE SOCIOPRENEURS" INITIATIVE

IDEA and Bank of Cyprus' Cultural Foundation are thrilled to support the Little Sociopreneurs! During the event that took place at Polemidia in Limassol, the district's schoolchildren had the opportunity to exhibit their cultural work as young entrepreneurs. At IDEA we believe that it is never too early to teach kids about entrepreneurship, especially when it is combined with the Cypriot culture and heritage. We want to thank Antigoni Komodiki, Anastasia Kapari and Christoula Louka for inviting us to such a lovely event and congratulate them for all they have achieved so far. Inspiring younger generations and supporting their creativity is the way forward!

IDEA'S MANAGER AT TECHSTARS ACCELERATOR, SEATTLE

IDEA's manager, Mrs. Angela Panayiotou, was invited by the US Department of State to participate in the 3-week International Visitor Leadership Program. The International Visitor Leadership Program (IVLP) is the U.S. Department of State's premier professional exchange scheme. Through visits to the United States, current and emerging foreign leaders, in a variety of fields, experience the country first-hand and cultivate lasting relationships with their American counterparts. Throughout her stay, Mrs. Panayiotou visited Washington, Pittsburgh, Seattle, and Austin and formed strong relationships with other leaders around the globe.

GET TOGETHER PARTY AND MATCHMAKING EVENT

IDEA hosted an amazing get-together party to enable match-making and networking of entrepreneurs: All the teams who applied to IDEA's 4th cycle, all startups already in IDEA and all our alumni were invited to meet & greet! We are certain that these informal events strengthen the innovation ecosystem as entrepreneurs with different backgrounds and diverse skill sets exchange opinions and have the opportunity to form new partnerships. Many thanks to Bank of Cyprus Cultural Foundation for providing us with the party space!

ACCELERATOR TRAINING CONTINUES! MRS. VALENTINA KISLAYA AT IDEA'S PREMISES

With great pleasure and excitement we welcomed the Founder & CEO of Phoenix Leaders, Mrs. Valentina Kislaya at IDEA! Mrs. Kislaya guided our startups how to become true leaders for the benefit of themselves and their companies. Each participant had the opportunity to showcase their skills and receive feedback on how to reach new heights of success. We want to truly thank Mrs. Kislaya for the inspiration and hope to have her with us again soon!
